

**TO WHOM IT MAY CONCERN:**

Dear Sir/Madam,

I have known Javid Asadli since October 2015. We worked together at Cloud Deployment and Infrastructure Modernization Project at Veyseloglu LLC. As we had tight deadlines, we worked under pressure, success of the project depended on all members. During our collaboration on project, I observed that Javid is:

1. **Goal and result oriented:** He focused on the System Administration, precisely followed all guides and manuals, which we provided in order evaluate solution.
2. **Quick learner:** He spent just few days to own Hybrid and Public Cloud Solutions. He successfully tested whole architecture on test environment.
3. **Punctual and disciplined:** Every time he was at office on pre-agreed time interval for meetings, discussions and followed all rules, guidelines and requirements for the project.
4. **Social:** He proactively ask questions, shared interests, freely expressed point of view and open to new communications.
5. **Flexible:** Time-to-time we asked to complete different tasks related to project and he succeeded every time.
6. **Responsible and independent:** He reported about completed tasks on OneNote file. Javid accepts responsibility for views & actions and able to work under his own direction & initiative.
7. **Expressing himself with clarity and concision:** Javid says what he wants clearly and directly, whether he is speaking with me in person, on the phone, on Instant Messenger or via email.
8. **Good team player:** Regardless of the job, he is cooperative and work well with others.
9. **Accepting feedback:** Javid not only accepting feedback gracefully, but also applying that feedback, which fosters professional growth.

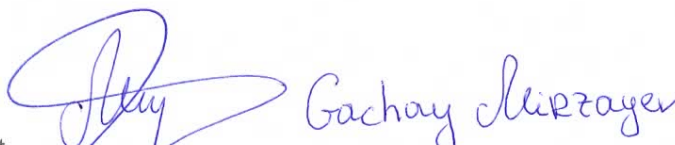

I believe if your graduate program is looking for an exceptional candidate, the one that would greatly contribute to any program, Javid as an excellent choice. He has consistently demonstrated an ability to rise to any challenge that he should face.

I am sure he will be great asset in any company who targets talents. Without any restrictions, I recommend Javid Asadli.

If there is any question regarding to this reference, please feel free to contact me at any time

Yours sincerely,

Gachay Mirzayev
